

**2026 MEMBERSHIP \$1,000 DUE AT FIRST MAJOR  
ALL FOUR TOURNAMENTS 25,000 PAYOUTS EACH**

The Majors are set up this way, on the Monday before the tournament starts, they come out with the rankings of every golfer in the field. The top row will have the top 10, while the row going down will have the 11-20 golfers. Names are shuffled and then picked. You'll maintain the same box four all four Majors.

Each round the golfer(s) one top and going down with the lowest score each day will determine each round winner, note: all rounds are subject to multiple winners. *EXAMPLE BELOW:*

Round 1 the two listed shot the lowest scores, box 74 would win.

Round 2 the two names listed shot the lowest scores, box 1 would win.

Round 3 had 2 with the same score on top and 1 down, boxes 37 & 39 split.

Round 4 the two listed shot the lowest scores, box 63 would win.

The Final/Total: The best overall score from the top and the best overall score going down, box 74 would win.
